Job Title: **KPMG 2024-25 Graduate Programme Audit & Advisory & Tax - Hong Kong**

Reference Number: N/A

Organization: KPMG

Date: 2024-12-20

Job Description:

KPMG China provides multidisciplinary services from audit and tax to advisory, with a strong focus on serving our clients' needs and their industries. Not only do we have an overriding commitment to provide the highest quality services for our clients, but we also strive to become a responsible corporate citizen that has a positive impact on our environment and community. At KPMG, you'll translate insights into action and reveal opportunities for all our teams, our clients and our world.

Joining KPMG means that you will become an integral part of a multidisciplinary team to help our clients excel in the changing market environment. You will enjoy world-class training and tailored career development to help fulfil your potential. You will also be motivated to learn new things every day and work with some of the best talents around the world. Our reputation as a leading professional service provider is reinforced by the wide range of awards KPMG has received over the years as the employer of choice, for our strong community involvement and our wealth of knowledge in the professional industries. We are looking for top students who are passionate, committed, and eager to succeed- all degree disciplines are welcome.

Audit

Our Audit professionals are never short of exciting projects. Essentially, we make use of data and analytics to give clients our view on whether their financial statements are a 'true and fair' reflection of reality.

In this technology driven era, our digital auditors focus on transforming our current audit practice into a tech-enabled process that fully utilises our data and analytics capabilities which frees us up to focus on client relationships and added value.

Tax

As a tax professional with KPMG, you will be joining a team that helps clients address critical business issues with the aid of data and analytics. From interpreting legislation to long-term planning and strategies, you will work collaboratively with clients and colleagues to think beyond the present, to see beyond borders and to achieve long-lasting success.

Advisory

With professional teams in management consulting, risk consulting, deal advisory and strategy, our advisory practice works with diverse clients, including government organisations and large financial corporations. When you join advisory, you will be part of a multidisciplinary team delivering services that reflect the changing circumstances of our clients and the markets in which they operate.

Benefits of working at KPMG

KPMG offers many benefits to our staff, including:

- Opportunity to work with risk, accounting, and tax professionals in diverse and exciting roles
- Have a supportive global network of actuaries (UK, Europe, US, Asia and Australia) that works together to serve our multinational clients
- A multinational and experienced leadership team that provides on-the-job support and coaching
- Training programmes developed through KPMG Business School
- Sponsor conversion programme and study leaves
- Dynamic working environment with regular team events and fun activities
- Clear career paths with great progression and promotion opportunities

Requirements

- Applicants should be graduated in 2024 to 2025 with a bachelor or master's degree from any discipline
- Fluency in both written and verbal English, Cantonese or Mandarin
- Good written and verbal communication skills
- Passionate, committed, and eager to succeed
- Self-starters with good analytical and problem-solving skills
- Applicants should be a citizen or have the right to work in the location that you apply for
